

# Neighbourhood Watch Week

17th - 23rd June

An ideal opportunity to do some NW 'housekeeping' and keep your Scheme in good shape!

## CHECKLIST?

- Are your Scheme Members contact details up-to-date? Has anyone moved in recently?
- Do your Members know how to contact each other; raise alerts; or call for help?
- If your Scheme has NW street signage on lamp posts – do you have Public Liability Insurance Cover? If not, then to be assured, register your Scheme with the NWN at <https://www.ourwatch.org.uk/>

- Are your NW street signs in a good state of repair? If not, then why not ask your members to 'chip in' and get some new ones?
- Has everyone who wants a NW window sticker got one? If not, then why not get some or simply print some off? <https://www.asnwa.org/how-to>
- Lastly, when was the last time your Scheme had a real '*get together*'? Perhaps a street; park; or 'village' event? 'Neighbourhood Watch Week' maybe just the excuse you need - and with the weather warming up, this could be *just the ticket*?

### IN THE KNOW?

- Would your Scheme members, particularly the more vulnerable, benefit from advice on scams/fraud then the National Trading Standards (NTS) 'Friends Against Scams' presentation would be a good place to start; <https://www.friendsagainstscams.org.uk/training/friends-elearning?xCmd=start>
- For advice on other crimes then: <https://www.ourwatch.org.uk/toolkits/>
- For advice on your safety then: <https://www.avonfire.gov.uk/safety-advice>

### HELPING NW GROW!

- Have you remembered to take part in our **on-line survey**?

<https://www.asnwa.org/strategy-questionnaire>

- Keep up-to-date with NW nationally: <https://www.ourwatch.org.uk/wp-content/uploads/2019/02/NHW-Newsletter-FEBRUARY-19-2.pdf>

.....

HAVE A GOOD **'NEIGHBOURHOOD WATCH WEEK'** AND HELP KEEP YOUR  
SCHEME IN **GOOD SHAPE !**
